

Chit Chat Report - Annual Parish Meeting

Great Ellingham chit chat group continues to thrive. Each week approximately 45 folk gather together for coffee, chat and friendship.

We are very pleased that quite a few new villagers from the various new developments have chosen to join us.

We have 3 outings planned this year: **Springfields** – in May, **Holt and Sheringham** in August and **Cromer** in December.

We feel the group helps newcomers and people who live in Great Ellingham to share with each other their highs and lows and enables wonderful and lasting friendships to develop.
